Reminders:

- Work hard in the summer and come to every practice. Your skills **will** improve during this time. Many of you are very close to moving to the next level. Please, trust our judgment and expertise.
- At the end of July, all cheerleaders will be re-evaluated during class. At that time, placement will be final as we get ready for camp the first week of August and learn our routines.
- Be sure to attend our Mandatory Parent Meeting (parent's only) on Saturday, May 1 at 9:00 a.m. at the gym. Bring a copy of each cheerleader's birth certificate (USASF competition required) and first month's tuition (and \$40 registration fee if you have not paid at the clinic). We will be going over all of next year's details. Thanks!
